Telefax : (033) 2499-0628, E-mail : taab_bio@yahoo.com, Website : www.taabbiostudy.com

To Whom it may concern

This is to certify that the Speedovap Low Volume nitrogen evaporator supplied by M/S Takahe Analytical Instruments ,Punit Industrial Premises ,Navi Mumbai-400703 had been functioning satisfactorily since last two years.

I find it low budget cost effective and useful Instrument for R &D jobs compared to its foreign brands.I appreciate post marketing service of the company.
