We have purchased MIN-EVAP NITROGEN EVAPORATOR (SR. NO. SVMV20140701) from TAKAHE ANALYTICAL INSTRUMENTS and using it since July 2014. They have understood our requirements well & provided us the Equipment best suited for our purpose.

At the time of installation, all IQ, OQ & PQ documents were handed over to us. They have also imparted our technical staff the required training on the use & maintenance of the equipment.

Takahe Instruments has been prompt after sales also in answering our queries related to the equipment purchased and providing service from time to time when requested. The Equipment is working efficiently and is easy to use & maintain.

We are very much satisfied with the product & service provided by TAKAHE ANALYTICAL INSTRUMENTS.
